- ○ gravel
- ○ stones
- ○ stone embankment
- ○ other:

RIVERINE VEGETATION

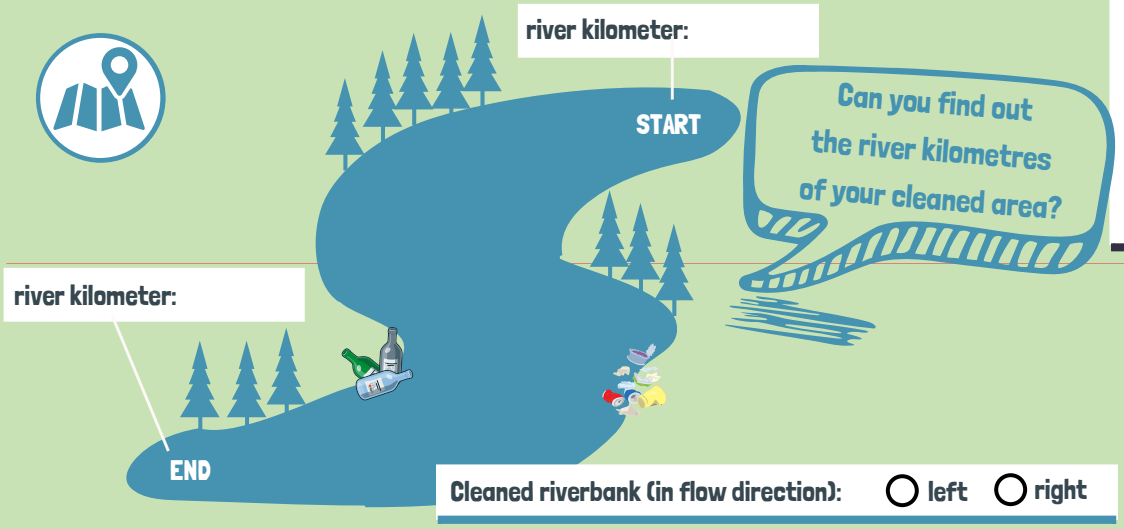

- ○ none
- ○ meadow
- ○ bushes, reed
- ○ trees
- ○ other:

Lat. means latitude, long. means longitude

lat.	long.	A
lat.	long.	B
lat.	long.	C
lat.	long.	D

Tag the collection area on your phone and enter the GPS coordinates!

Which waste did you find most often?

Can you find out the river kilometres of your cleaned area?

Cleaned riverbank (in flow direction): ○ left ○ right

Here you can draw a sketch of your cleaned area. Plot also your recorded GPS coordinates (letter A–D).

*tip: open the app 'Google Maps' and press the position button ⌖. A blue dot appears on the map, zoom in on it and press the dot a little longer. A red marker 📍 appears, the coordinates are shown in the top bar (first latitude, then longitude).
